MouthPower® Oral Health Education Program CD Order Form

Explore Mouthie's interactive laboratory to find out how to have a sparkling smile. Learn how to brush and floss, make healthy food choices and steer clear of the pitfalls of tobacco.

Targeted to ages 7-11, this disk includes easy-to-use, bilingual lessons and fun activity sheets that will help children learn good oral health habits, while having lots of fun along the way.

There are three ways to order this FREE MouthPower® program CD:

Email the museum at : education@dentalmuseum.umaryland.edu OR

Fax this form to: 410-706-8313 OR

Mail this form to: National Museum of Dentistry
 31 South Greene Street
 Baltimore, MD 21201
