‘TOOTH FAIRY DAY’ AT NATIONAL MUSEUM OF DENTISTRY *Meet the Tooth Fairy in person*

BALTIMORE, MD (February 21, 2011)—What do fairies do with all those teeth? Grab your wand and put on your wings to meet the Tooth Fairy herself and find out at **Tooth Fairy Day** at the National Museum of Dentistry on **Saturday, May 14, from 10 a.m.-4 p.m.** Discover how to have a sparkling smile during an afternoon filled with tooth-riffic hands-on activities and fun. Make fairy wands and wings, a box to hold your lost tooth, and more!

Kids can try their hand at fairy work by making a tooth necklace, decorating maracas, learning about animal teeth, and exploring the museum on a scavenger hunt to learn about false teeth, including the most famous false teeth of all (hint: they belonged to the first president of the United States). Plus, explore hands-on exhibits throughout the museum about all things toothy and how to have a healthy smile.

Tooth Fairy Day is included with regular Museum admission: \$7 for adults, \$5 for seniors, \$3 for children, free for 2 & under and active duty military & immediate family. The National Museum of Dentistry, an Affiliate of the Smithsonian Institution, is located at 31 S. Greene Street in downtown Baltimore. Call 410-706-0600 or visit www.smile-experience.org for more information.
